

GROWTH, CHANGE, AND LEADERSHIP.  
GRACIOUS SPACE CAN HELP.

**Virtual Course**

## **Mastery & Certification Course**

A cohort-based, train-the-trainer program to prepare and certify you to teach and facilitate successfully with Gracious Space.

Through this online course you will gain deeper knowledge of the Gracious Space framework and curriculum, clarify key teaching points, and develop the skill and confidence to teach or facilitate using Gracious Space in your organization. You will benefit from the camaraderie, experience, and support of others on a similar path.

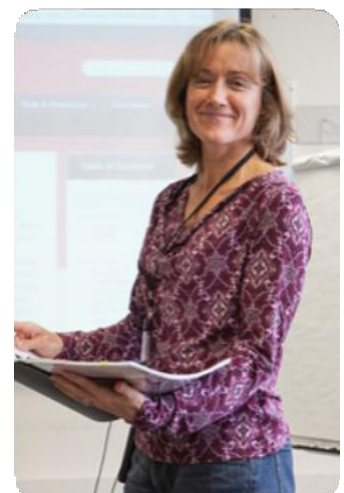

### **Learning Outcomes:**

1. Understand and be able to tell the history of Gracious Space
2. Develop an elevator pitch to describe GS in your context(s)
3. Ability to present an accurate and interactive overview of the Four Tenets of Gracious Space
4. Know the resources that support your work
5. Create a plan for bringing Gracious Space to a specific context
